## **Additional information**

- Trophy animals you intend to hunt must be listed when making a booking. This enables us to make proper quota planning/allocations and apply for correct hunting permits in advance.
- Day of arrival and day of departure are accounted as resting day if no hunting on these days.
- Wounded and lost animals will be fully charged as stipulated by law.
- No value added tax (VAT) is charged on trophy fees if trophy is exported.
- Rifles & ammunition can be hired on request for 40 EUR / day plus ammunition charges.

## **What to bring along for the hunt**

- Your regular (bolt action) rifle in calibres .375 HH, 300 WM, minimum .30-06 Maximum 60 rounds of ammunition may be imported.
- Khaki safari clothes, strong cotton material in dark colours - olive green/brown, light-coloured khaki is not advised. Fleece jacket and silent windbreaker, gloves (May until August can be cold during dawn & dusk with cold nights), Light-weight comfortable hunting boots for quiet stalking, wide-rimmed hat, sunscreen, binoculars (e.g. 8x30), camera, short ankle gaiters.

## **Payment & Insurance**

- A deposit payment of the daily rates of the hunt per hunter confirms your booking and hunting dates. Rest payment is due at the day of departure from Wildacker.
- A deposit payment can only be refunded for a cancellation of hunt at least 31-90 days prior to arrival. We will retain 50% of booked daily rates. We will retain 20% of booked daily rates for a cancellation more than 90 days prior to arrival.
- We accept cash in NAD/ZAR/EUR and as well Maestro-Card, Master- or Visa- Kreditcards.
- Adequate travel, medical and liability insurances need to be taken out for the duration of your hunting safari.
- We are not liable for any delays, losses, accidents or injuries.
- Please inform us about any noteworthy medical condition which could be important for/during your safari.

## **Flight connections**

We recommend flights from/via Frankfurt directly to Windhoek with Air Namibia 7 times per week and Condor 2 times per week.

Flights via Johannesburg do require quite some patience and paper work for import/transit of rifles. Please contact us if you need further informations.
